

I'M STILL STANDING

ELTO JOHN

You _____ never know what it's like
Your blood like winter freezes just
_____ ice
And there's a _____ and lonely light
that shines from you
You'll wind up like the wreck you
hide behind that _____ you use

And _____ you think this fool _____
never win
Well look at me, I'm _____ back
again
I _____ a taste of love in a simple
way
And if you need to know while I'm
still _____ you just fade away

Don't you know I'm still _____
better than I ever did
Looking like a true survivor, _____
like a little kid
I'm still standing after all this time
Picking up the pieces of my life
without you on my mind

I'm still _____ yeah yeah yeah
I'm still _____ yeah yeah yeah

Once I never _____ hope to win
You starting down the road leaving
me again
The threats you _____ were meant
to cut me down
And if our love _____ just a circus
you'd be a clown by now

Y' know, I'm still _____ better
than I ever did
Looking like a true survivor,
_____ like a little kid
I'm still _____ after all this time
Picking up the pieces of my life
without you on my mind

I'm still _____ yeah yeah yeah
I'm still _____ yeah yeah yeah

Don't you know that I'm still
_____ better than I ever _____
Looking like a true survivor,
_____ like a little kid
I'm still _____ after all this
time
Picking up the pieces of my life
without you on my mind

I'm still standing yeah yeah yeah
I'm still standing yeah yeah yeah
I'm still standing yeah yeah yeah
I'm still standing yeah yeah yeah
