CULTURE

Most U.S. and Canadian cities have restaurants that serve food from many different countries and cultures. Chinese, Italian, and Mexican restaurants have been very popular in North America for a long time, but now there are also Japanese, Thai, and Indian restaurants in most cities and small towns. Many people like to order food from restaurants for delivery to their homes. Chinese food and pizza are common home-delivery types of food.

What types of foreign food are available in your town?
Which ones are the most popular with you and your friends and family?

HOW ABOUT YOU?

GROUP WORK Answer these questions.

1. How often do you eat in restaurants?
2. What's your favorite kind of restaurant?
3. What do you usually order?
4. When is the last time you ate something for the first time? Describe it. Did you like it?
5. Which of the foods and drinks from the video have you tried or would you like to try?

IN A RESTAURANT

GROUP WORK Role-play ordering lunch at one of the restaurants in the video. Two students order, while the third student plays the waiter or waitress. Then switch roles until each student has been the waiter or waitress. Use this model:

A: Do you have any questions about the menu?
B: . . .
A: Oh, that's very good. It's one of the most popular dishes. Are you ready to order?
C: . . .
A: OK. What would you like?
B: . . .
C: . . .
A: What do you want to drink?
B: . . .
C: . . .
A: OK. I'll be right back with your food and your drinks.
