A NEW FRIEND

Let's Read! Read the story carefully. Then answer the questions. ☀

It is Monday morning. Adam is in his new classroom. He sits near the window and looks around. There are many pupils in the classroom, but Adam does not know them yet.

"Good morning!" says a boy with a big smile. "My name is Daniel. What's your name?"

"I'm Adam. Nice to meet you," Adam says.

Daniel shows Adam around the classroom. There is a reading corner, a computer corner and a small table with some colourful books.

"Do you like reading?" Daniel asks.

"Yes, I do. I like adventure stories," Adam replies.

During break time, Adam sits alone. He sees Daniel playing with two other boys. Daniel looks at Adam and waves.

"Adam! Come and play with us!" he calls.

Adam smiles and joins them. They play a simple ball game together.

At the end of the day, Adam feels happy. He came to school without knowing anyone, but now he has a new friend.
