

Reading and Writing

- 1 Read the story. Complete the gaps in the text with the words in the box. There are four extra words.

area city drying get loudly
nicely off on toothbrush Wi-Fi

Last summer, Vicky and her parents went on holiday to the country. They stayed in a lovely old house near a lake. On the first morning they explored the ⁰area and in the afternoon they went swimming in the lake.

After dinner Vicky had a shower. She was ¹ her hair when she had a surprise. She said ², 'Oh no! My hairdryer isn't working!' She carefully turned it ³ then turned it on again, but it still didn't work. 'And my smartphone isn't charging!' When she went into the living room, her dad was trying to use the Internet. He said, 'We haven't got any ⁴ and the TV isn't working!' There isn't any electricity.

Then Mum said, 'Look! Here are some board games!' So they played board games and laughed a lot. Finally Mum asked Vicky, 'Did you ⁵ bored?' Vicky smiled and said, 'No, this was fun, but I really miss my phone!' The next day Vicky was happy because everything was working again.

☐ / 1

- 3 Complete the text with one word in each gap.

My grandma has got a new smartphone, but she isn't very good with technology. She can't even use her TV's ⁰remote control very well! She says it's because she and her friends ¹ have mobile phones or remote controls when they ² young. I knew there weren't any mobile phones in the 1950s but I didn't ³ people at that time didn't have remote controls!

Then Grandma told me about other things they didn't have. They didn't have ⁴ ovens or blenders in the kitchen. But worse than that, the Internet didn't exist and they didn't have computers, USB ⁵ or games ⁶ ! Can you imagine that?
