Eternity – Bangchan

I've known you ever since _____ when we were kids
The happiest moment to ever exist
Check my bucket list, oh, you were on the list
I'm living _____, somebody heard my wish
Call out _____

You do the same
Hug you _____

_____ this'll never end for eternity

I just want all time to stop

I'm never letting go
Let's go on a _____, see the world outside
Don't wanna let you go
The way that you give me your hands, I'll fly
At times when I _____ or empty
You're always beside me
Promise that I'll love you plenty
I hope this'll never ends for eternity

When I _____

I know that you're the only one
The only one, yeah
Nothing in the world could beat our little special bond
'Cause we are one
Run around and _____
