“From Slave to Sharecropper”
“Creating New Lives”

The Freedman's Bureau helped to set up schools, find lost family members, and get jobs for freedman.

This explains some of the things the Freedman's Bureau did to help freedman.

This explains what the Freedman's Bureau wanted to happen between the landowners and sharecroppers.

Freedman would work on the land owned by rich white people, often their old masters. This was called sharecropping.
