

Part B – Choose the Best Light

Look at each situation. Choose the best light source and write why.
Use the pictures to help you.

Different
situations need
different
lights!

Think
Which light
is best?

Situation	Best light source	Why?
 Reading a book at night	_____	It helps us _____.
 Walking during a power cut	_____	It helps us _____.
 Crossing a road at night	_____	It helps us _____.
 Seeing outside in daytime	_____	It helps us _____.

Light helps us in many ways!
