Questions 14 to 19

Read the text below. Choose **ONE** word from the text and write your answer in the blank.
Then, answer Question 19.

The Fire in Los Angeles

Last month, a large fire started in the hills near Los Angeles. It spread quickly because the weather was very hot and windy. Many firefighters worked day and night to stop the fire. The flames approached nearby houses and people had to leave their homes to stay safe.

The fire destroyed trees and areas where animals live. Many animals had to relocate to new places. Emergency teams helped people by giving them food and a place to stay. Luckily, no one was hurt in the fire because everyone worked together.

After the fire, the city is now working to stop fires from happening again. They are making stricter rules about using fire during dry weather. They are also teaching people how to stay safe from fires. People are asked to clean around their homes to make them safer.

14. The fire spreads quickly because the weather was hot and _____.
15. People had to leave their _____ and stay safe.
16. Many animals had to _____ to new places after the fire.
17. The company is making stricter _____ about using fire during dry weather.
18. People are taught how to stay _____ from fires.
19. Do you think firefighters are brave? Why?

Japan

A

Japan is located in East Asia and is famous for its natural beauty and culture. Many people visit Japan to see cherry blossoms and Mount Fuji. Japan has four seasons and visitors enjoy the red and orange leaves in autumn and the snowy landscapes in winter. Japanese food is loved worldwide, including *sushi*, *ramen* and *tempura*. The country is also known for its traditional tea ceremonies and quiet gardens. Many visitors enjoy learning about Japan's old castles and temples.

Egypt

B

Egypt is in North Africa and known for its ancient history. Tourists visit the pyramids, the Great Sphinx and the temples of Luxor. The Nile River flows through Egypt, and many people take boat trips to enjoy the views. The weather is mostly hot and dry. Egypt has deserts and sandy landscapes. People enjoy eating *koshari*, a dish made with rice, lentils and pasta, and *falafel*, made from chickpeas or beans. Many visitors enjoy learning about mummies and ancient kings from thousands of years ago.

Australia

C

Australia is a large country in the Southern Hemisphere. It is famous for its beaches, warm weather and animals like kangaroos, koalas and wombats. The Great Barrier Reef, the biggest coral reef in the world, is one of Australia's most famous attractions. Many people enjoy swimming, surfing and diving. Australians also love outdoor activities like hiking, camping and having barbecues. Popular foods include meat pies, lamingtons (a sweet cake covered in chocolate and coconut), and fish and chips.
