Read the passage and answer the questions.

The Missing Lunch Box

Amir and his sister, Sara, are getting ready for school. Sara puts her books, pencil case and water bottle into her school bag. She also prepares a sandwich for recess, but she cannot find her lunch box.

Sara looks under the table and in the kitchen cupboard. Amir helps her look for it. He remembers seeing the lunch box near the sofa the night before. They look in the living room, but they cannot find it.

Suddenly, Amir hears a sound from the balcony. They find their cat, Milo, sitting beside a flower pot. Sara looks behind the pot and finds her lunch box. The lid is open, but the sandwich is still inside. Sara puts the lunch box safely into her school bag and thanks Amir for helping her.

14

Sara prepares a _____ for recess.

(1 m)

15

Where does Amir remember seeing the lunch box?

(1 m)

16

Why does Sara look in the kitchen cupboard?

(1 m)

Milo is sitting beside a _____.

(1 m)

18

Why do you think the lunch box is on the balcony?

(1 m)

19

Do you think Amir is helpful? Why?

(2 m)

Read the passage and answer the questions.

CYCLING

Cycling is a popular outdoor sport. It can improve leg strength, balance and fitness. Cyclists should wear a helmet and use a safe cycling route. Checking the brakes and tyres before cycling can help prevent accidents.

SWIMMING

Swimming is a sport that uses many parts of the body. It can improve strength, fitness and breathing. Swimmers should follow pool rules and listen to lifeguards or coaches. Learning different swimming strokes can also improve their skills.

ROCK CLIMBING

Rock climbing requires strength, balance and concentration. Climbers use ropes and safety equipment to protect themselves. Beginners should learn from an instructor before trying difficult routes. Regular practice can help climbers become more confident and skilled.

20

Why should cyclists check their brakes and tyres before cycling? (1m)

21

Which two physical abilities can cycling improve? (1m)

22

Why is it important for swimmers to follow pool rules? (1m)

Read the passage and answer the questions.
