Breakin' my ..... just to know your name

Seventeen tracks and I've had it with this game

But Heaven ain't close in a ..... like this

Anything goes but don't blink, you might miss

Bring it back down, bring it back down tonight

Never ..... I'd let a rumor ruin my moonlight

Well somebody told me you had a boyfriend

Who .....like a girlfriend

That I had in ..... of last year

It's not confidential, I've got potential

Ready let's roll onto ..... new

Takin' it's toll then I'm leaving without you

Pace yourself for .....

I said ....., baby, please

But I just don't know now

When all I..... to do is try

A rushing, rushing around
