SELF AWARE - TEMPER CITY

Oh
no smoke with no _____
no silence if there's no sound
One way or another
You're going to put me out
Drinks flowing like _____
Too drunk to turn off the lights
Stay under the _____
(Oh) who knows how we'll end the night

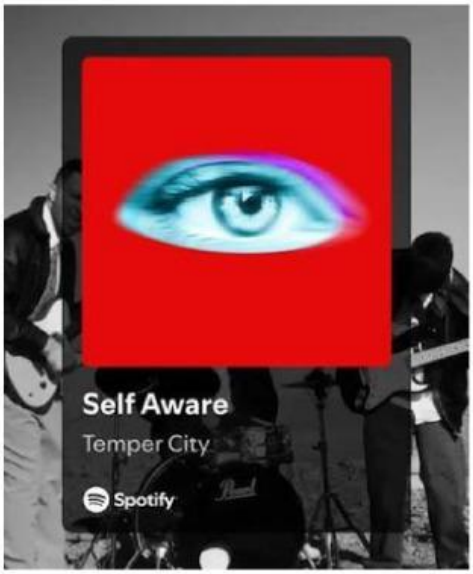

Just don't hang your hopes on me
I wanna feel something
God, you look so pretty
When you tell me that you _____ me

I wish that I could live
But my _____gets in the way
I know you think that I'm
always way too self-aware

Oh, we could never be_____
But it's nice to play pretend
I wish that I could lie
But I'm way too _____

Mood swings like the _____
bodies under pressure
Oh, I love the way you're using your imagination
Laws of attraction
Put 'em into practice

Just don't hang your hopes on me..
