

Homework

Let's practice what we learned about the two pronunciations of /th/

Identify the words containing the **/th/ sound** in the sentences below. **Circle** the words that feature the *voiceless /th/* sound and **underline** those with the *voiced /th/ sound*. An example is given for you.

E. g: Those people **think** they are capable.

1. James Wang bought that blue cap over there.
2. What time does this bus arrive?
3. Thank you for those roses you sent me!
4. Grandfather seems to enjoy the warm weather.
5. My mother bought a lot of clothes today.
6. Her thumb got cut with that knife.
7. The Earth is the third planet in our solar system.
8. They were dancing to "smooth like butter..."
9. The dumplings in that shop are delicious and healthy.
10. Those beautiful lanterns were made with thick tissue paper.
