

A Different Path

Verse 1

Born to _____ parents, but a different path was set,
He was _____ by the Jobs family, a bond he'd never forget.
He _____ Reed College to chase a future so bright,
But soon _____, following his inner light.
Back in the garage, he envisioned a brand-new space,
Building a personal computer for the human race.
Making complex tech so _____ and clean,
The world had never seen such an elegant machine!

Chorus

Steve Jobs – a true _____ breaking every frame,
A _____ leader who forever changed the game!

He _____ to Pixar, taking cinema for a ride.
The first _____computer animation reached the screen,
Toy Story became a huge success, the biggest ever seen.
Then came the ultimate revolution, sleek and refined,
A smooth _____device that blew everyone's mind.
Even when _____ with illness, his spirit stayed strong,
Leaving a timeless legacy where his bold dreams belong!

[Outro]

A timeless legacy where bold dreams belong,
A different path that still inspires us all along.
