Reading

Hi, my name is Ben! At the weekend my favourite thing to do is go hiking with my family. I like being outdoors in nature and seeing the beautiful view from the top of the mountain. I especially love hiking in the summer when the weather is warm, but I don't enjoy hiking in winter when it's really cold. My dream is to one day hike Mount Everest!

My best friend Tim is very different to me. He hates outdoor activities and would much rather be inside. He prefers hobbies like reading, playing computer games and board games. Sometimes I play games with him but usually, he wins.

My sister's favourite hobby is baking. She loves to try new recipes and she's great at baking cupcakes and muffins. I like eating all of the delicious things that she bakes but she makes a mess in the kitchen!

My cousin Cindy loves sports. She plays many different sports. She is on the football and basketball team and she has a lot of trophies in her bedroom from all of the competitions she has won. She can also play tennis really well and is learning how to ride horses.

There are many acronyms associated with English language teaching. These include (but are not limited to) ELT, TEFL, EFL, ELL, EAL and ESOL. While the term ESL may not fully represent the linguistic backgrounds of all students, it is the most widely recognised term for English language teaching globally. Therefore, we use the term 'ESL' in the names of our resources to make them easy to find but they are suitable for any student learning to speak English.
