

LIKE MY FATHER [Jax \(USA\)](#)

[Verse 1]

I wanna come home to
And dirty little notes on Post-its
And when my hair starts turning gray
He'll say I'm like a fine wine, with
age
I I learned it from my parents
That true love starts with
A on the forehead, a date night
Fake an apology after a fight

[Chorus]

I need a man who's and kind
Gets out of the car and holds the door
I wanna slow dance in the living room like
We're at senior prom and grow
Old with someone who makes me
.....young
I need a man who loves me like
My father loves my mom

[Verse 2]

I wanna road trip in the summers
I wanna of each other
I wanna rock out to Billy Joel
And flip our kids off when they call us old
He'll accidentally burn our
And let me be the Scrabble winner
And when my body shapes
He'll say, "Oh my God, you look hot today"

[Outro]

I need a man who loves me like
My father loves my mom
