My Body Song

Have you got two **eyes** / **ears**?
Have you got one **mouth** / **nose**?
Have you got two eyes?
Yes, I have. Yes, I have.

I've got ten **fingers** / **toes**.
I've got ten toes.

I've got two **hands** / **feet**
And one big nose!

And have you got long **hair** / **legs**?
And have you got short **hair** / **arms**?
And have you got small hands?
I sing my body song, my body song,
I sing my body song again!
