

My Favourite Season: Summer

Summer is my favourite season of the year. **Do you enjoy sunny, warm days as much as I do?**

During summer, I usually spend time outdoors with my friends and family. We often go swimming, ride our bikes, or have picnics in the park. I also love going to the beach because I can relax, play games, and enjoy the sea.

Summer is special to me because I have more free time and can make wonderful memories with the people I love. **Wouldn't you agree that summer is perfect for spending time outside?** The long, bright days always make me feel happy and relaxed. How about you? What season makes you happiest?
