Mabel, I know you're going through your whole "boy crazy" phase, but I think you're kind of overdoing it with the "crazy" part.

What?! Come on, Dipper!

This is our first summer away from home.

It's my big chance to have an epic summer romance.

Yeah, but do you need to flirt with every guy you meet?

My name is Mabel, but you can call me the girl of your dreams.

I'm joking! Ha ha ha ha!

Oh, my gosh, you like turtles? I like turtles too.

What is happening here?

Come one, come all, to the mattress prince's kingdom of savings!

Take me with you. Aaah!

Mock all you want, brother, but I got a good feeling about this summer.

Oh! Oh! Not good. Ow. Oh, why?! Ha ha ha!

All right, look alive, people.

I need someone to go hammer up these signs in the spooky part of the forest.

Not it! Not it! Uh, also not it.

Nobody asked you, Soos.

I know, and I'm comfortable with that.

Wendy! I need you to put up this sign!

I would, but I... uhh... can't... uhh... reach it.

I'd fire all of you if I could.

Hello! Aaah!

Whatcha readin'? Some 21)_____?

Uh... uh... it's nothing.

"Uh-uh... it's nothing." What? Are you actually not gonna show me?

Uh... Let's go somewhere private.

It's amazing! Grunkle Stan said I was being paranoid, but according to this book, Gravity Falls has this secret dark side.

Whoa! Shut up!

After a certain point, the pages just stop, like the guy who was writing it mysteriously disappeared.

Who's that?

Well, time to 22)_____. Broop. Beans.

This girl's got a date. Whoo whoo! Ha ha ha!
