**Ex4. Read and use no more than two words from the text to complete the sentences below.**

Last Saturday afternoon, Philip and his sister, Helen, went to help Mrs Plant on her busy, friendly farm. They loved spending time there because there was always something exciting to do. When they arrived, they usually started by carrying baskets of potatoes from the storage shed to the kitchen. After that, they walked around the farm to feed all the different animals. There were cows, goats, chickens, and even a very noisy goose that followed them everywhere!

The children rode to the farm on their bikes because it was close to their home, and the path was very safe. Mrs Plant was happy to see them and often gave them warm cookies when they finished their jobs.

She also had two new animals on the farm. She had a tiny kitten called Sunny and a playful puppy called Sausage. They were both really sweet and loved cuddles.

**Questions:**

1. Philip went to Mrs Plant's farm with his ..... last Saturday.
2. The first job was moving ..... to the kitchen.
