

Name: _____

Look at the map and match the images of city objects to the direction instructions, starting from Magnolia Street between the bakery and the pet shop.

Turn right around the corner then go straight on until you reach a farmer's market. Go past the market and you'll see a large building on your right.

Go straight ahead. Take the second left. You'll see it on your right across the street from the supermarket.

Go down this street and turn left at the next corner. You'll see it right across from the barber shop.

Walk down this street. Go past the park and you'll see it across the street on your right.

Go along the street until you reach Maple Avenue. You'll see it on your left on the other side of the road.

Go straight ahead. Turn left onto Maple Avenue. Head straight down the avenue until you reach a roundabout. Turn left at the roundabout. Continue straight on. You'll see it on your right across from the museum.
