Peer help ☺.

Remember these exam criteria?

Let's listen and check how much from the criteria our speakers can meet.

Write down examples of feedback from the conversation as you listen.

1. The speaker **actively develops the conversation** e.g. by **echoing**, **reformulating** or **extending** partner's answers?

_____

2. The speaker **proactively involves the other speaker** with a **question about further developing or clarifying the topic**

_____
