DATU MABRUR AND SWORDFISH

Long ago, a powerful leader named Datu Maburur meditated in the sea between Kalimantan and Sulawesi, praying to God for an island for his future descendants. During his meditation, the Swordfish King and thousands of fish attacked him because his spiritual power disturbed the sea. However, Datu Maburur defeated the Swordfish King and kindly healed its wounds. Touched by his sincerity and selfless wish, the Swordfish King vowed to help him. Millions of fish then worked together, shouting "Sa-ijaan!", and pushed a new island up from the seabed, which became Pulau Laut (Kotabaru).
