

IELTS Essay

1. Charity

Some people think that charity organizations should only offer help to people of their own country. But others believe that these organizations should give aid to people in great need wherever they live. Discuss both views and give your own opinion.

2. Volunteering and Community Development

Volunteering to help others in the local community is becoming less common these days. Why is this happening? What can be done to encourage more people to volunteer?

3. Compulsory Community Service for High School Students

Some people believe that unpaid community service should be a compulsory part of high school programs (for example, working for a charity, improving the neighbourhood or teaching sports to younger children). To what extent do you agree or disagree?

4. Government vs Volunteer Organisations

Some people believe that volunteer organisations play a crucial role in supporting communities, while others think the government should be solely responsible for community welfare. Discuss both views and give your opinion.

5. Responsibility for Caring for the Elderly

Who should be responsible for taking care of old people: the government, companies or families?

6. Wealthy Nations' Responsibility

Some argue that rich nations have a responsibility to help poorer countries meet their basic needs, such as food and education, whereas others believe that poorer countries should solve these problems themselves. To what extent do you agree or disagree?
