

READING PART 2

The people below in 1-5 all want to do a course. Look at the descriptions of eight courses. (A-H). Decide which course would be most suitable for each person.

1.  Martina is an accomplished photographer looking for an enjoyable course where she can improve her skills. She loves taking pictures outdoors and is only free at weekends.

2.  Manuel has painted for ten years and wants to learn about the work of famous painters from the past. He is looking for a day-time course that will help him improve his painting skills.

3.  Maria is 32, and she would like to do computer studies in Manchester. She wants to do a part-time course that includes theory and practical skills. In her spare time, she paints and draws.

A) ITB and computer courses

Full-time courses

This full-time course is designed to help you improve the digital skills you use in everyday life. These skills will allow you to use computers confidently and effectively in both your working and personal life. This course is suitable for those who want to study in the evening.

B) A Photographic Adventure

This beginner digital photography course is meant to help you master your digital camera. You will finally be able to enter the magical world of photography! Professional photographers will show you how to see the world as a photographer, whether you're just starting or you've been taking photos for years.

C) Part-time courses

3D Studio has a fun 34-week photo challenge. All courses are led by a professional photographer who has specific skills to teach you. By learning with 3D Studio, we will take you to the best places and venues in the countryside. The course takes place on Saturdays, 3.30-6.00 p.m.

D) Adam Elliot Studio

Renaissance Painting Workshop

During this workshop, students will be taught the classical methods of oil painting used by Italian and Flemish masters of the late 16th and early 17th centuries. This workshop is suitable for students of all levels of experience. Classes are on Monday and Wednesday from 9-11 a.m.

4.  Claudia would like a course where she can learn the basic concepts of drawing. She works in the morning but is free at weekends. She is most interested in drawing portraits but does not need a qualification.
5.  Sally is 25. She wants to take up an activity that will give her a lot of contact with other people. She is very talented and likes performing.

E) Santa Reparata

Supplementary Art Course

The main aim of this short course is to provide an introduction to one of the most famous periods of Italian Art. The one-week painting course is suitable for absolute beginners. Classes are from 6.30-9.30 p.m. Monday to Friday.

F) The Art Academy

Open Life Class

This is an informative, intensive, and fun weekend course, which teaches essential drawing skills. Through various drawing approaches including life drawing, portraiture, and still life, you will learn to understand texture, line, measurement, and composition.

G) The Open University

Computing and IT

Our Adult courses give you the chance to boost your confidence and develop your work skills. This course will prepare you for progression to further study in computing and software development. Full-time and part-time courses are available.

H) Jennifer Collins Theatre School

Musical theatre courses

This course aims to provide participants with the opportunity to train to the highest standards for a professional career in Dance and Musical Theatre. We offer a chance to meet new friends in a family-like environment.
