Reading

12 Read the information about a hostel in Wales. Match five headings in the box with paragraphs 1–6

1

We hope you enjoy your stay at the Mountain Shadow Hostel here in Snowdonia. My name's Kara and it's my job to make sure you have fun and stay safe on your trip to this beautiful part of Wales.

2

We have lots of activities that you can take part in, including walking (of course!), rafting, pony trekking and climbing. We have some expert guides here who can take you on some wonderful hikes. These walks can be all levels from easy to challenging, depending on your ages and ability. But whatever path you take, you can be sure that you will see some spectacular scenery as you walk down deep valleys, climb to snow-covered peaks or trek rocky coastal paths.

3

The kind of equipment you should bring will obviously depend on the time of year that you decide to come. However, Snowdonia is famous for certain types of weather! So I do recommend that you bring a waterproof jacket, a warm jumper and good walking boots. In the summer, mosquitoes can be a problem so insect repellent would be a good idea. Believe it or not, you should bring sunscreen too! Any special equipment like tents, sleeping bags and camping stoves will be provided. For those of you who enjoy birdwatching, it might be a good idea to bring your binoculars as we have a huge variety of different species here for you to keep an eye out for.

4

Food will be provided for you at mealtimes. There is a basic breakfast which includes coffee, tea, homemade bread rolls, cereals and toast. Packed lunches will be prepared for you to take on your daily activities, and each night dinner is served at seven o'clock. If you don't eat meat, or have other particular dietary requirements, you should let us know as soon as possible so that we can provide something different for you. For evening entertainment, we have a games room with a table tennis and pool table. There is a TV room with lots of videos to choose from and there is also a library. In the village there is a very good café where you will be very welcome.

5

Finally, we ask that everyone keeps the noise to a minimum after 10.30 p.m. Could you please take out the rubbish from your dormitories every night, and please use the recycle bins for your bottles and plastics. A daily itinerary is given out every evening with the following day's schedule. Could everyone try to be on time and remember to respect the staff when dealing with them.

6 *Signing off*

Most importantly, keep safe and have fun. We look forward to seeing you!
