THE SCHOOL GARDEN COMPETITION

The Year 4 pupils were excited about the school garden competition. Their teacher divided them into groups and gave each group a small garden plot.

Nina and her friends planted flower seeds and watered them every day. They also removed weeds and cleaned the area around their garden. After a few weeks, colourful flowers began to bloom.

On the day of the competition, the judges visited each garden. Nina's group won first prize because their garden was beautiful and well cared for. The pupils were proud of their hard work and teamwork.
