SEASONS OF THE YEAR

Read, think, and complete the activities.

SPRING

Spring is a fresh and colorful season. The weather is mild, flowers bloom, and birds sing in the trees. Many people enjoy walking in the park and watching nature wake up.

flowers, birds

SUMMER

Summer is the hottest season. The days are long and sunny. Children like going to the beach, eating ice cream, and playing outside during their vacation.

sunny, beach

AUTUMN

Autumn is cool and windy. Leaves change color and fall from the trees. Farmers harvest fruits and vegetables, and people often wear light sweaters.

leaves, harvest

WINTER

Winter is the coldest season. In some places, it snows and lakes freeze. People wear coats, scarves, and gloves, and they drink hot chocolate to stay warm.

snow, coat
