

B1 - HOW TO REVISE

You will hear an interview with a woman called Penelope Leigh, giving advice on how to revise. Listen and choose the correct answer.

- 1 What does Penelope say about understanding a subject?
A It's easy to do.
B Students don't like to do this.
C It helps you remember things.
- 2 Penelope thinks that
A explaining things to others can help you understand the subject.
B friends or relatives might be able to explain things to you.
C reading something more than once never works.
- 3 Why does Penelope say about managing revision?
A You should never revise just before an exam.
B Try to do it over a period of time.
C Only make notes occasionally.
- 4 What does Penelope say about some subjects?
A You should avoid studying boring subjects.
B They can be difficult if you don't find them interesting.
C Everyone has a subject they don't find interesting.
- 5 Penelope thinks listening to music while revising
A does not help.
B is OK if you listen to tunes you love.
C needs to be researched.
- 6 What is Penelope's final tip?
A Learning lists can help you remember.
B Imagine yourself being successful.
C Use creative ways to help you remember key points.
