READING

Read the text and answer true (T) or false (F).

John and Anna live in a big house with their parents. There are two big living rooms, a kitchen and a dining room downstairs. Upstairs there are five bedrooms and three bathrooms. John has got all his favourite possessions in his bedroom and it's very untidy. His mother thinks it's a mess. Anna's bedroom is always tidy and she's got a good view of the garden from her room. There's a tree house and a small swimming pool in the garden. There are also a lot of flowers. Their best friends, Sonya and Frank, haven't got a big house. Their parents have got a small apartment in the centre of the city, so they haven't got a garden. Their apartment is on the fifth floor. The apartment has got three bedrooms, a bathroom, a small living room and a kitchen.
