7th August

Dear Emma,

I'm having a fantastic time in Egypt! The weather is very hot and sunny, and the sea is lovely.

Yesterday, we went to the desert and saw some camels.

I have never (0) ridden a camel before, so I was very excited. The camel walked slowly across the sand.

Today, we are going to visit the pyramids. My dad says it (1) _____ the best place to take photos in Egypt.

After that, we might go (2) _____ a restaurant for lunch. I hope the food is delicious!

I have already bought a small present (3) _____ you. I think you will like it.

What (4) _____ you doing in London now? I miss you, but I'm having a wonderful holiday.

Please write and (5) _____ me about your week!

See you soon!

Love,
Holly
