LIVEWORKSHEETS

1 Read the blog posts about eSports and answer the questions.

1 Does bluediamond agree with the blog writer?

_____

2 Which sentence in the text introduces the beginning of bluediamond's opinion.

_____

I think eSports should never be part of the Olympics. They are not really sports because you don't have to be fit to do them.

Do you agree that eSports should never be part of the Olympics? Join the conversation.

23rd April 19:01

In your blog, you say that eSports should never be part of the Olympics. You think eSports are not really sports because you don't have to be fit to do them. I don't agree. It's not true that you don't have to be fit. eSports gamers have to play for many hours without any breaks. The best players eat healthily and do exercise every day. eSports should be part of the Olympics!

2 **Read the blog and write a response with your own opinion about mind sports.**

I think it's a good idea to have mind sports (chess, board games, card games, etc.) in the Olympics. Thinking and using your brain is important in every sport.

Do you agree that it's a good idea to have mind sports in the Olympics? Join the conversation.
