Last week, Sofia and her family went to Pantai Teluk Cempedak. It is located in Kuantan. Sofia's mother cooked *nasi lemak*, noodles and tuna sandwiches. She also prepared a jug of apple juice. Sofia and her family set out at seven o'clock and arrived there at nine o'clock.

At the beach, Sofia and her sister built a sandcastle together. They collected beautiful seashells to decorate their sandcastle. Sofia's father and brother played volleyball while her mother sat and rest under a tree. They had a lot of fun time at the beach.
