Read the text and choose the correct answer A, B or C.

One Saturday morning, Lily was at the train station because she wanted to visit her grandma. She wore her favourite scarf. It was long and blue with white stars on it.

The train came. There were a lot of people and it was very loud. She quickly got on the train. When she reached her seat, Lily looked down. "Oh no! My scarf! It's not here!" said Lily.

Lily was very sad. "I must find it," she said. Then, Lily got off the train to look for it. She walked around for a long time, but she couldn't find the scarf.

Then, a boy ran to her. He had a blue scarf with white stars in his hand. "Hello," the boy said. "Is this your scarf? I found it on the floor."

"Yes, it is! Thank you so much!" Lily smiled. She was very happy.

"My name is Lily." "I'm Tom, nice to meet you," the boy said.

Then Lily looked at her watch. "It's time to eat lunch. Would you like to have lunch with me at the station café?" Lily asked. "That's a great idea!" said Tom.

They went to the café. They ate hot soup and some bread. Lily was happy to have her scarf back and make a new friend.
