Hi Lidia,

Thanks for your email and for the news about you and your life in Colombia.

I'm going to tell you something about myself and about my family.

As you know, I live in Ohio and I live with my parents and my brother, Samuel. My parents are both doctors at a hospital in my city, and they work on weekdays. Sometimes my father works on the weekend.

I go to a high school near my house and I have classes Monday to Thursday from 8:30 a.m. to 3 p.m. I don't have classes on Friday, so I have free time! On Thursday afternoon I have a French class from 5 to 6 p.m.

I usually have homework and I do my homework in the afternoon. After I do my homework, I sometimes go to the mall with my friends or I play my guitar.

On the weekends, I usually run in the park on Saturday morning. On Saturday afternoon I use social media with my friends. We watch videos and we post photos.

On Sunday I hardly ever go out. I like to be with my family. I chat with my family and we watch TV. Here are some photos of my family.

Write to me soon,

Charrie

- 1 Charrie *lives* / *doesn't live* in Colombia.
- 2 Charrie's mother *works* / *doesn't work* on Saturday.
- 3 Charrie has a lot of classes on *Tuesdays* / *Thursdays*.
- 4 Charrie sees her friends on *Saturday* / *Sunday* afternoon.
- 5 Charrie *goes* / *doesn't go* out on Sunday.

Free time

I like free time, but not every day is a fun day. We don't want to have a lot of work and no free time, and we don't want to have a lot of free time and no work. So, what is the answer?

Here are some ideas for a happy life:

- Find some time every week to be with family and friends, and to talk to them. You can have a meal together on the weekend.
- Do something after work that you like. Read a book, run every day or play a sport like soccer.
- Do things on the weekend. But not always shopping. Go to a museum or go to a park.
- Do you like nature? Mountains, rivers and lakes are great places to go and to be close to nature.
- Don't use social media 24/7. You don't need to use your tablet and cell phone all the time.
- Breakfast is important, so eat a big breakfast before you start your day.

Remember to find time during the week for the things that are important to you!
