

## IELTS ESSAY

Some parents choose traditional names for their children, while others prefer unusual names. Why do people choose different types of names?

Some people believe that a person's name can influence how others see them. To what extent do you agree or disagree?

Some parents name their children after famous people or celebrities. Why do they do this? Is this a positive or negative trend?

In some countries, women traditionally take their husband's surname after marriage. Some people think this tradition should continue, while others believe women should keep their own surname. Discuss both views and give your own opinion.

Many famous people, such as actors, singers and writers, use a different name in their professional lives. Why do people choose to use stage names or pseudonyms? Is this a positive or negative development?

More and more people want to buy goods such as clothes and smartphones from well-known brands. Why is this? Is this a positive or negative development?

More and more people, especially young people, prefer to buy products from famous brands. Why is this happening? Is this a positive or negative development?

Some people think that buying expensive brands is a waste of money, while others believe that branded products are worth the price. Discuss both views and give your own opinion.
