

[BÀI 4] READING COMPREHENSION

A PATH ACROSS CANADA

Kara is writing about her journey on the Great Trail.

Read the texts and choose the correct answer (A, B or C).

TEXT 1

The Great Trail goes from one side of Canada to the other. At 24,000 km, it is the longest trail in the world. The Great Trail project began in 1992 and took 25 years to complete.

1

What is the Great Trail?

- A. The longest trail in the world.
- B. A road across Canada.
- C. A new project in Canada.

2

When did the Great Trail project begin?

- A. In 1992.
- B. In 2017.
- C. 25 years later.

TEXT 2

The Great Trail is actually lots of paths joined together. You can cycle, walk or horse-ride on most of it, but there are parts where the only way you can travel is by boat.

3

Which activity can people do on most of the trail?

- A. Swimming.
- B. Cycling.
- C. Fishing.

4

What is the only way to travel on some parts of the trail?

- A. By boat.
- B. By train.
- C. By bus.

TEXT 3

My father and I spent a day walking along part of the Great Trail that was surprisingly busy. We were told you don't usually see bears when there are lots of people, but we did. It was moving through the trees, quite close to us, and I felt a little afraid.

5

Who went walking with Kara?

- A. Her father.
- B. Her teacher.
- C. An old man.

6

Where was the bear moving?

- A. Along the trail.
- B. Through the trees.
- C. Near the river.

TEXT 4

At lunchtime, we talked to an old man on the trail. Dad asked him if he thought the path was going to help Canadians learn more about their countryside. "Not really," he said. "We've always loved to be outdoors."

7

When did Kara talk to the old man?

- A. In the morning.
- B. At lunchtime.
- C. In the evening.

8

What did the old man say Canadians have always loved?

- A. Being outdoors.
- B. Visiting other countries.
- C. Living in the countryside.

TEXT 5

In the future, the path will probably change, and new parts may open. We saw nothing to tell us we were on the Great Trail, which is a shame. I know there's information on the website, but it's good to know when you're walking on a special path.

9

Where can people find information about the Great Trail?

- A. On a website.
- B. On a map.
- C. On the trail.

10

What may happen to the trail in the future?

- A. It may become shorter.
- B. It may have new parts.
- C. It may be closed.
