- 1 Complete the text with the words in the box. There are three words that you do not need to use.

cute fair gorgeous medium-height plain straight
tall wavy well-built

Here I have a photo of my grandmother's family. My grandmother is the little girl in the front row with the

1 _____ hair. Her mother's hair is completely different – look how curly it is!

The 2 _____ little boys behind her are her twin brothers, Tim and John. You can't see them very well because they're very short. My grandma's father is the total opposite – look how 3 _____ he is! His sons aren't big and 4 _____ like him either; they're actually quite thin.

The girl with the blonde hair is my grandma's older sister. She's the only 5 _____ member of the family – everyone else has dark hair! My grandma thinks her sister is the good-looking one. But I don't think my grandma is 6 _____ – look how pretty she is here!

Score ____/6

- 2 Complete the sentences with the correct adjectives.

- 3 Complete the email with synonyms of the words given.

Hi Sophie,

Why weren't you at Lee's party on Friday? I missed you. It was 1 _____ (**hard**) to find Lee's house at first, so I was late. Everyone was already there, and they were all talking to each other. Lee's friends are more 2 _____ (**sociable**) than me and I felt a bit shy. I was so 3 _____ (**happy**) to see Jason. He came over and talked to me as he could see I was nervous. He told me he's going to study engineering. He's so 4 _____ (**intelligent**). Sometimes I don't understand what he's talking about! Jason introduced me to a friend of his, called Duncan, who's very 5 _____ (**handsome**)! Hannah was there, too, being silly as usual. She's so 6 _____ (**immature**) sometimes. She's a year older than us, but she doesn't seem it.

Let's get together soon.

Love Thea
