

## Multilingual

|                                                                                   |                 |       |
|-----------------------------------------------------------------------------------|-----------------|-------|
|  | Because I speak | <hr/> |
|  | I can listen to | <hr/> |
|   | and say         | <hr/> |

|                                                                                    |                         |       |
|------------------------------------------------------------------------------------|-------------------------|-------|
|  | Because I speak English | <hr/> |
|  | I can learn             | <hr/> |
|  | and say                 | <hr/> |

|                                                                                  |                           |  |
|----------------------------------------------------------------------------------|---------------------------|--|
|                                                                                  | Because I am multilingual |  |
|                                                                                  | I can                     |  |
|                                                                                  | I have                    |  |
|  | I enjoy                   |  |

And some day,

Because I speak \_\_\_\_\_ languages,

|  |                   |  |
|--|-------------------|--|
|  | I will be able to |  |
|  | help              |  |
|  | and               |  |
