II. Read the following passage and do as task.

Living in the country is something that people from the city often dream about. However, in reality, it has both advantages and disadvantages.

There are certainly many advantages of living in the country. First, you can enjoy peace and quietness. Moreover, people tend to be friendlier. A further advantage is that there is less traffic, so it is safer for young children.

However, there are certain disadvantages or drawbacks to life outside the city. First, because there are fewer people, you are likely to have few friends. In addition, entertainment is difficult to find, particularly in the evening. Furthermore, there are fewer shops and services so it is quite hard to find jobs. As a result, you may have to travel a long way to work, which can be extremely expensive.

In conclusion, it can be seen that the country is more suitable for some people than others. On the whole, it is often the best place for those who are retired or who have young children. In contrast, young or single people who have a career are better provided for in the city.

A. Choose the best answer

1. How many advantages does living in the country have?
 A. One B. Two C. Three D. None
2. According to the passage, living in the country has _____.
 A. only bad points B. both good and bad points
 C. only good points D. no disadvantages

B. Answer the following questions

1. Why is Living in the country is safer for young children ?

2. Are there many shops and services in the countryside?

3. Who has a career is better provided for in the city?
