

Part 4 – 10 questions –

Read the text. Choose the right words and write them on the lines.

LIFE IN THE FUTURE

People have always imagined what life will be like in the future. Some people think that cities will change a lot. In the future, we may live in very tall buildings and travel in new ways.

A skyscraper is a very tall building (0) which has many floors. People (1) _____ live high above the ground and enjoy beautiful views of the city. Some buildings may have gardens (2) _____ grow vegetables for the people who live there.

Scientists are also developing new ways to travel. A spaceship is a vehicle (3) _____ can carry people into space. The people (4) _____ travel in these spaceships may visit other planets one day. They could also use rockets to send machines into space.

Life in the countryside may change too. A forest is a place (5) _____ is full of trees and wild animals. People will need to protect these places (6) _____ that animals can continue to live safely there.

An eagle is a bird (7) _____ has strong wings and a sharp beak. In the future, scientists may build special machines (8) _____ can help people study birds and other animals.

Nobody knows exactly what the future will be like, but there are many exciting possibilities. Children (9) _____ learn about new technology at school, and they may use it to help the world. They may also visit other planets (10) _____ are far away from Earth.

1 A. may B. has C. are

2 A. who B. where C. which

3 A. which B. who C. where

4 A. where B. who C. which

5 A. who B. where C. which

6 A. because B. so C. but

7 A. which B. who C. where

8 A. where B. who C. which

9 A. has B. might C. are

10 A. which B. who C. where
