A LETTER FROM THE FUTURE

2nd October

Dear Emma,

How are you? Last week, our class had a special lesson about the future. We talked about a new city (0) which scientists are planning to build.

Our teacher showed us pictures of the people (1) _____ will live there one day. They might travel in spaceships and use special machines to help them at home.

We also saw a modern stadium (2) _____ a huge roof and thousands of seats. I think it will be amazing!

After the lesson, our teacher asked where we would like (3) _____ travel in the future. I said that I would like to visit another planet.

My friend Ben wants to go to the desert (4) _____ he has never seen one before. Our teacher said that children will learn about new technology and (5) _____ able to make the world better.

I think the future will be very exciting!

Love,
Holly
