Write a text of about 100-120 words using the following infographic in Spanish as your source.

Your American online friend, Ashton, is visiting the Grazalema mountain range. He has seen on the news that the area is experiencing heavy rainfall and sudden floods, and he feels concerned. You have just seen an infographic on TV with useful information about what to do during floods. Write him an informal email summarizing the most important ideas and giving him helpful advice so that he knows how to stay safe. DO NOT ADD YOUR PERSONAL OPINION AND DO NOT SIGN YOUR MESSAGE.
