When (I was 12/the play started),

Make notes to help you plan your story. Think about the sequence of events and try to answer the questions Who?, What?, Where? and When?

[illegible]

Use this paragraph plan in your story.

Title: Think of an interesting story title

Paragraph 1: When and where the story happened and who you were with.

Paragraph 2: What you were doing and what happened first.

Paragraph 3: What happened next and after that.

Paragraph 4: What happened in the end and the results of the event.

Write your story. Use your notes, the paragraph plan, the writing model on the opposite page and the Writing bank to help you.
