Re: My Birthday Party

Hi Sam,

Thanks for writing to me. I'm sorry you were sick. I had a great time at my birthday party. First, we played games and sang songs together. Next, we ate delicious food and a big birthday cake. There were 20 people at my party. Furthermore, my favourite present was a new school bag from my parents. Besides, I love it because I can use it every day.

Write back soon!

Best wishes,
