Part 4 READING 15 points

A Busy Week at the School Media Club

My name is Alex, and I'm eleven years old. I go to school from Monday to Friday. On school days, I usually get up at seven o'clock and have breakfast with my family. Lessons start at eight thirty, and my favourite subject is geography because I love learning about different countries.

Every Wednesday, I go to the school media club. We make an online magazine called Young Voices. My friend Emma is an excellent artist. She draws pictures for our magazine, and I write short articles. Our teacher, Mr Green, helps us choose interesting topics.

Today is Wednesday, and we are preparing a special edition about jobs. Emma is drawing a picture of a firefighter. I am interviewing our school cook, and two other students are making a quiz about different professions. We are all working hard because the magazine must be ready on Friday.

Next week, we are going to organise a school competition. Students will write short stories about the jobs they would like to do in the future. Emma is going to write about becoming an artist, but I'm going to write about becoming a TV presenter.

After school today, I'm going to visit my grandma. I usually see her at weekends, but this week she is busy on Saturday. I'm taking her some flowers, and we're going to have dinner together.
