My Summer Vacation Trip

'Last Friday morning, the Tan family went on a summer vacation to Penang. They were all very excited to visit the famous island.

At 7:00 AM, Mr. Tan started driving their red MPV out of the driveway. The roads were smooth, and the children enjoyed listening to music along the way.

After stopping at a rest area for breakfast, they continued their journey. Finally, at 11:30 AM, they arrived safely at their hotel near the beach. The whole journey took four hours and thirty minutes.'

Read the text above and answer the following questions in complete sentences.

1. Where did the Tan family go for their summer vacation?

.....

2. What vehicle did they use to travel?

.....

3. What time did they start their journey?

.....

4. What time did they arrive at their hotel?

.....

5. How long did their journey take altogether?

.....
