

SOLVE THE PROBLEMS

Activity 1

The picture shows the location of places in a school compound.

4		 computer lab	 field	 badminton court
3	 library			 reading hut
2		 canteen	 playground	
1		 preschool class		 fish pond
	A	B	C	D

school building

Complete these.

- a At 8 o'clock in the morning, the preschool pupils go to C2. What is the place?
- b The year 3 pupils are surfing the Internet. State their location.
- c Every afternoon, Encik Jamil plays badminton. Where does he go? State the location of the place.
