Materials

From Materials to Adjectives

Some material words change when we use them to describe objects.

Material (noun)	Adjective	Example
gold	golden	This is a golden ring.
wood	wooden	This is a wooden box.
wool	woolen	He is wearing a woolen sweater.
cotton*	cotton	She is wearing a cotton shirt.
leather*	leather	He bought a leather backpack.
plastic*	plastic	I need a plastic bottle.
glass*	glass	She bought a glass vase.
metal*	metal	He wears a metal watch.
rubber*	rubber	I have a rubber ball.
paper*	paper	She has a paper bag.

Remember: Some material words stay the same when they describe an object, such as **plastic**, **cotton**, **leather**, and **rubber**. We don't always add **-en** or **-y**.
