

Student Quiz: Are You Ready for Exam Day?

Instructions: Read each statement carefully and select the correct option. Pay close attention to whether the question asks about general rules, paper-based, or computer-based exams!

Part 1: True or False?

1. **True or False:** If you forget your physical photo ID, you can show the examiner a clear photo of your passport or national ID card on your phone.
2. **True or False:** In the Computer-Based exam, candidates must supply their own personal headphones for the Listening paper.
3. **True or False:** Smartwatches and fitness trackers are strictly forbidden inside the examination hall, even if they are switched off.
4. **True or False:** On the Computer-Based exam, you can highlight text directly on the screen and make notes using an on-screen tool or scratch paper provided.
5. **True or False:** You can bring a bottle of juice or soda into the exam hall as long as it has a cap.
6. **True or False:** In the Computer-Based Writing paper, the screen includes a built-in automatic word counter.

Part 2: Multiple Choice

7. What type of writing instrument **MUST** be used on paper-based Reading and Listening answer sheets?

- A. Any smooth blue or black ballpoint pen.
- B. Soft wooden pencils (HB or B), because answer sheets are scanned by optical readers.
- C. Gel pens, provided the ink is dark enough.
- D. Highlighters or felt-tip markers.

8. What happens to your mobile phone during the exam?

- **A.** You can keep it on silent mode face-down under your chair.
- **B.** You must turn it off completely (disabling all alarms) and hand it in or place it in a designated bag away from desks.
- **C.** You can leave it on vibrate in your pocket in case of emergencies.
- **D.** You can keep it on your desk as long as the screen faces away from you.

9. Which of the following is TRUE regarding navigation during the Computer-Based (Digital) exam?

- **A.** You are forced to answer questions in strict order and cannot skip ahead or return to previous questions.
- **B.** You can jump between questions, flag items for review, and change your answers at any point before time expires.
- **C.** The screen locks automatically every 10 minutes for mandatory eye breaks.
- **D.** You must submit each part before you can read the instructions for the next section.

10. How are scrap paper and notes handled during a Computer-Based exam?

- **A.** You are given paper by the center for rough notes, but it must be handed back at the end of the test.
- **B.** You are allowed to take your planning notes home after the exam.
- **C.** Rough notes are forbidden; all planning must be typed into the final text box.
- **D.** You can bring your own notebook into the computer lab for planning.

11. What stationery items are allowed inside the exam room?

- **A.** A non-transparent pencil case filled with pens, pencils, white-out tape, and highlighters.
- **B.** Pencils, erasers, and pens inside a completely clear, transparent plastic bag.
- **C.** Any stationery, provided white-out fluid is stored separately.
- **D.** No stationery at all; everything is provided at your seat regardless of exam format.
