PDPR Task

Read the text below and correct the underlined errors. For each question, write the correct word in the space provided.

An Unexpected Adventure at the Nature Reserve

Last Saturday, my classmates and I participated in an educational trip to a nature reserve located on the outskirts of our town. The trip was organised to raise awareness about environmental conservation and the importance of protecting endangered animal (1).

Before departing, our teacher, Mr Daniel, remind (2) us to follow safety regulations throughout the visit. Everyone were (3) required to bring sufficient drinking water, comfortable shoes and a notebook to record important observations.

Upon arriving to (4) the reserve, we were greeted by an experienced wildlife guide. He explained that the forest provided a nature (5) habitat for numerous species of plants and animals. As we explored the trails, we walked cautious (6) to avoid disturbing the wildlife.

During our exploration, we discovered an injured bird resting beneath a fallen tree. Our guide approached the frightened creature and careful (7) placed them (8) inside a protective container.

Later, we visit (9) a conservation centre where rescued animals received medical treatment. The experience helped us understand how human activities could negatively affect the environment.

Although the journey was physically exhaust (10), we returned home with valuable knowledge and unforgettable memories.

Paper 1 Part 2 : Error Correction

[10 marks]

Read the text below and correct the underlined errors. For each question, write the correct word in the space provided.

The Importance of Self-Discipline Among Pupils

Self-discipline is an essential quality that helps pupils become responsible and successful individuals. It involves managing their behaviour, making wise decisions and completing daily responsibility (1) without constant supervision.

In school, a disciplined pupil follow (2) the rules and respects teachers and classmates. Pupils who practise self-discipline are usually more organised because they manage their time effective (3). They also understand the importance of arriving in (4) school punctually and submitting assignments before deadlines.

Last month, our school organise (5) a campaign to promote positive behaviour among pupils. The programme included motivational talks, group discussions and interactive activities. Every participant were (6) encouraged to reflect on personal habits and identify areas for improvement.

During one activity, pupils worked together to solve challenging situations. Each group presented they (7) ideas confidently and explained how responsible decisions could prevent disciplinary problems. The teachers were particularly impressed by the pupils' maturely (8) sponeses.

Furthermore, self-discipline encourages pupils to remain focused in (9) their goals despite distractions. It also helps them develop confidence (10) attitudes towards learning and personal development.

Ultimately, practising self-discipline consistently prepares pupils to overcome challenges and become dependable members of society.
